GOLF IS A GAME FOR LIFE

Golf is a great game for students as it is a healthy game that one can play for their whole life. It has the ability to teach young people fundamental values in life such as honesty, integrity, self-respect, confidence, sportsmanship and consideration for others.

There is no doubt that when kids are introduced to golf, they love it. Any school or teacher, no matter the location or facilities, can teach golf to their students.

Please complete the enquiry form to register your Schools interest in a golf program.

COSTS

The $35 per hour fee includes the following:

- Coaching fees
- Equipment
- Travel and administration.
